Example 1 (Single food additive)

Thailand Declaration of Compliance for single food additive

Pectins have the qualities or standards according to...

Prescribed in the Codex Advisory Specification for the Identity and Purity of Food Additives monograph (2016)

The Announcement of the Food and Drug Administration according to an approval of the Food Committee...(Specified notified date)

The screenshot shows the FAO website interface. On the left is a navigation menu with items like 'FAO Home', 'Food safety & quality', 'About us', 'Events & projects', 'Capacity development', and 'Scientific advice'. The 'Scientific advice' section is expanded, showing 'Calls for data and experts'. The main content area is titled 'Food safety and quality' and contains a breadcrumb trail: '> Scientific advice > Chemical risks and JECFA'. Below this is the heading 'Online Edition: "Combined Compendium of Food Additive Specifications"'. A table lists specifications for 'Pectins':

Additive	Pectins
Specification	Monograph 7 (2009) 
	Monograph 4 (2007) 
	Monograph 1 (2006) 
	Monograph (2016)
CAS number	9000-69-5
Codex GSF Online	INS number: 440

Product shelf life : 24 Months

Position: QC manager

Company Name: Zhucheng Dongxiao Biotechnology Co., Ltd

Issued Date: June 29, 2017

Example 2 (Single food additive)

Thailand Declaration of Compliance for single food additive

Sodium Trimetaphosphate have the qualities or standards according to...

Prescribed in the Codex Advisory Specification for the Identity and Purity of Food Additives(Specified monograph)

The Announcement of the Food and Drug Administration according to an approval of the Food Committee*... Notified on date 12th October B.E.2548 (2005)

(13) Sodium Trimetaphosphate

Chemical name: Sodium Trimetaphosphate [CAS : 7785-84-4]

Formula: (NaPO₃)₃ Molecular weight 305.89

Description: White crystals or granules, Structure is polyphosphate ring contained with 3 molecules of metaphosphate, freely soluble in water and pH = 6 when dissolved by water with ratio 1:100

Characteristics: - P₂O₅ content 68-70%

- Insoluble matters not more than 0.1% Purity

Limitation of impurities

- Arsenic not more than 3 mg/kg

- Lead not more than 4 mg/kg

- Fluoride not more than 0.005%

Packing and storage: Kept in sealed containers

Qualities or standards: Refer to Food Chemical Codex Monograph Fifth Edition 2004 if there are any amendments of qualities or standards, updated version shall be used"

Announced on date 12th October B.E.2548 (2005)

(Signed) Manit Arunagoom

(Mr. Manit Arunagoom)

Deputy Secretary-General

Acting Secretary-General of the Food and Drug Administration

Product shelf life : 24 Months

Signature: 刘忠军

Full name: Liu Zhongjun

Position: QC manager

Company Name: Zhucheng Dongxiao Biotechnology Co., Ltd. 珠海东晓生物科技有限公司

Issued Date: June 29, 2017

(Published in the Government Gazette Vol. 122, Special Part 123 Ngor, dated 1st November 2005.)

Thailand Declaration of Compliance for mixed food additives

1. Raw material specification

Ingredient 1

...Name of food additive...have the qualities or standards according to...

Prescribed in the Codex Advisory Specification for the Identity and Purity of Food Additives ...(Specified monograph)

The Announcement of the Food and Drug Administration according to an approval of the Food Committee... (Specified notified date)

Ingredient 2

...Name of food additive...have the qualities or standards according to...

Prescribed in the Codex Advisory Specification for the Identity and Purity of Food Additives ...(Specified monograph)

The Announcement of the Food and Drug Administration according to an approval of the Food Committee...(Specified notified date)

2. Finish product specification

...Name of product...have the qualities or standards according to the Announcement of the Food and Drug Administration according to an approval of the Food Committee...(Specified notified date)

Product shelf life : Months

Signature.....

Print name.....

Position.....

Company name.....

Issue date...../...../.....

Example 3 (Mixed food additives)

Thailand Declaration of Compliance for mixed food additives

1. Raw material specification

Ingredient 1

Monosodium L-Glutamate have the qualities or standards according to...

Prescribed in the Codex Advisory Specification for the Identity and Purity of Food Additives Monograph 1 (2006)

The Announcement of the Food and Drug Administration according to an approval of the Food Committee... (Specified notified date)

Ingredient 2

DL-Alanine have the qualities or standards according to...

Prescribed in the Codex Advisory Specification for the Identity and Purity of Food Additives ...(Specified monograph)

The Announcement of the Food and Drug Administration according to an approval of the Food Committeenotified on 24th June B.E. 2548 (2005)

2. Finish product specification

ABC123 (Food additive) have the qualities or standards according to the Announcement of the Food and Drug Administration according to an approval of the Food Committee Notified on 3rd November B.E. 2547 (2004)

Product shelf life: 24 Months

Signature: 刘忠军

Full name: Liu Zhongjun

Position: QC manager
